

## Just A Little

Take, take a look around  
I'm on a solid ground  
I'm on solid ground  
When the river rises  
And the water's pouring in  
You lift me up, you help me swim  
When it all falls down around me  
Your love surrounds me

Walk, walk the narrow road  
It's a long, long way but it leads home  
If the desert's all I see  
Your love satisfies me  
When it feels too much to bear  
He's always there

**I fall just a little bit more in love every day I am looking at you  
You're calling me higher, feeding the fire so all I desire is you  
Take me, shape me, hold me, make me all I was made to be  
You saved my life, my soul, you set me free**

Life ain't lived till it is lost  
I found it carrying this cross  
So I will take what I can take  
'Cuz I'm running to win, I'm following in his wake  
When it feels too hard, too long  
My God is strong

**I fall just a little bit more in love every day I am looking at you  
You're calling me higher, feeding the fire so all I desire is you  
Take me, shape me, hold me, make me all I was made to be  
You saved my life, my soul, you set me free**

*Take me, shape me, hold me, make me all that I was made to be  
Turn me, change me, mould me, shake me down and set me up to see  
Fill me, free me, touch me, teach me, breathe your breath in me  
You are God and I am not and your love is all I need*  
x2

**I fall just a little bit more in love every day I am looking at you  
You're calling me higher, feeding the fire so all I desire is you  
Take me, shape me, hold me, make me all I was made to be  
You saved my life, my soul, you set me free**
