

## Satisfied

There is something in the air tonight  
I can feel it on my skin, so light  
There's a smile on the lips of my saviour  
There's a laugh in the eyes of my God  
Jesus, I am dancing in your love

There is music in the air tonight  
Your people moving, grooving, basking in your light  
There's a heartbeat within me that isn't my own  
There's a fragrance that echoes the sweet smell of home  
Jesus, I will dance before your throne

*Sing it to your saviour  
Dance before the King  
A song for your creator  
For the maker of all things  
Lift your hands to Heaven  
With hearts that glorify  
My soul is satisfied*

There's a rhythm pumping deep within my bones  
My tongue, it can't be stilled  
Thrill me, fill me, make me gold  
Wanna talk, wanna walk it, wanna be so much more  
With my head in the clouds and my feet on the floor  
Living out the Spirit's perfect law

*Sing it to your saviour  
Dance before the King  
A song for your creator  
For the maker of all things  
Lift your hands to Heaven  
With hearts that glorify  
My soul is satisfied*
